DIPLOMA IN MAKE-UP - SPECIAL EFFECTS

Enrolling February: 9:00 am to 5:00 pm Monday, Tuesday & Wednesday

This course is designed for the make-up artist who wants to extend their training and abilities into the most challenging and creative make-up applications - Special Effects Make-up Artistry.

The College has consulted industry professionals to create a course that equips all its graduates with the skills required to be a special effects artist in the 21st century. As well as curriculum development, industry professionals also advised on specific products and their applications. To ensure that the industry professionals get their way they also teach the course!

Tuition is 9:00 am to 5:00 pm three days per week. This enables the student to undertake valuable work experience provided through the College and to undertake the research necessary to fulfil the course requirements.

We only accept ten students per enrolment. Enrolments occur once a year, in February.
